things in, please.

CLERK: Mr. President, your Committee on Appropriations reports LB 258 to General File, 64 indefinitely postponed, 99, 175, 630 and 680 all indefinitely postponed.

Senators Hefner and Morehead offer amendments to 496. (See page 1528 of the Legislative Journal.)

Mr. President, on 585 the first item I have are E & R amendments.

SPEAKER NICHOL: Senator Hall.

SENATOR HALL: Mr. Speaker, I would move the E & R amendments be adopted.

SPEAKER NICHOL: You've heard the motion. All those in favor say aye. Opposed nay. They are adopted.

CLERK: Mr. President, Senator Schmit would move to amend the bill. Senator Schmit's amendments are on 1374 of the Journal.

SPEAKER NICHOL: Senator Schmit.

SENATOR SCHMIT: Mr. President and members of the Legislature, the question was raised, when the bill was up previously, as to whether or not the failure to designate on the back of the license could be construed as a fact that the licensee wished to automatically make a gift of an anatomical part. This amendment states specifically that failure to designate does not mean that an automatic gift of anatomical parts is allowed by the donor. We want to clarify that in response to Senator Chambers's concern. I move for the adoption of the amendment.

SPEAKER NICHOL: Any further discussion? The question is the adoption of the Schmit amendment. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 28 ayes, 0 nays on adoption of Senator Schmit's amendment to the bill, Mr. President.

SPEAKER NICHOL: The amendment is adopted.
